Pregnancy Care Capsule

Iron-Rich Support

Nurturing Two Lives

This formula provides iron and key nutrients to help improve hemoglobin, reduce tiredness in mothers and support the baby's healthy growth and development, especially of the brain and blood. It uses gentle, easily absorbed iron to build iron stores, while nutrients like zinc, selenium and copper help protect red blood cells, supporting overall health for mother and child.

Advanced Hematinic Support

SMARTER IRON FOR A HEALTHIER PREGNANCY

Ferrous Bisglycinate, Selenium, Copper, Zinc & B Complex Vitamins

An innovative blend to support healthy iron levels and other co-factors during pregnancy to improve the hemoglobin levels and the baby's overall development.

- Boosts haemoglobin levels
- Enhances energy & reduces fatigue
- Improves iron absorption and utilisation
- Supports foetal brain & organ development

Dear Mom-to-be,
Consistency makes a difference.
Continue regularly, even on busy days, as
small steps support a healthier pregnancy.
